

Value never looked so good.

AEGIS<sup>09</sup>

Our chic new Aegis-09 Series telephones come fully equipped with standard features normally reserved for much more expensive units, including patented SciTouch® one-touch message retrieval, automatic-line selection (2-line), and a full 5-year manufacturer warranty. Available in single or two-line speaker or non-speaker configurations, **Aegis-09 phones also feature our industry-leading Best Price Guarantee, which makes an already great value look even better.**
