ANSWER THE CALL AT HITEC 2010.

Cetis, Inc. (pronounced *Setis*) products are found in hotel guestrooms in nearly every country in the world. From Scitec, Teledex, and TeleMatrix analog and VoIP telephones to ExpressNet high-speed Internet access points, our product portfolio is comprised of brands that are preferred by hoteliers globally. And soon, with the introduction of our new E Series – amazingly big on features, yet surprisingly small in size – you'll find our phones on the world's best cruise ships as well.

Come see the future of hospitality telephony and visit with the Cetis team at HITEC Booths 501 and 923. Or, for more information call +1 719 638 8821, email info@cetisgroup.com or visit us at CetisGroup.com.
