

## **Cetis Confirms Plans to Introduce New Hotel Phone Family At HITEC 2016.**

*Colorado Springs, CO – June 10, 2016* –Cetis, Inc., manufacturer of Teledex®, TeleMatrix®, and Scitec® brand analog and VoIP telephones, has confirmed plans to debut a newly designed hotel phone family at HITEC 2016, Booth #917, scheduled to be held at the Ernest Morial Convention Center in New Orleans, June 20-23.

“We look forward to meeting with customers, partners, colleagues, and friends at HITEC 2016” states Bryce Bowman, Vice President of Sales, Cetis, Inc. “ We invite everyone to come join with us for demonstrations of our full range of guest smart device USB charging solutions, plus the debut of a completely new hotel phone family, designed to merge best-in-class contemporary styling and USB charging with a popular, classic guest room phone footprint.

The new Teledex E Series USB family featuring built-in USB charging ports will also be on display. Available in single and two-line analog, VoIP, corded and cordless configurations with charging ports located on both the phones and RediDock remote cordless handset kit charging stations.

HITEC visitors may also charge smart devices at the Cetis booth via USB Series charging stations designed to mount beneath existing room phones to provide guest smart device charging inside the guest room.
