

## **Equipar Features NH Mexico Reforma And Teledex E Series Phones.**

*For Immediate Release – Colorado Springs, CO, May 7, 2015* – Teledex [E Series](#) installed at the NH Mexico City Reforma hotel has been featured in the May issue of Equipar Magazine.

Equipar, a leading business magazine for Mexico, Colombia, Panama and Venezuela, has featured a full-page article on the NH Mexico City Reforma renovation and Teledex E Series single-line analog corded (E100-8GSK) hotel phones.

According to Adriana Aspuru, Marketing Manager, NH Mexico City Reforma, “Teledex E Series telephones have all the specifications that our hotel needs for its guests, and offer an ideal combination of utility and style. The programmable guest service keys connect our guests instantly with hotel amenities. Personalized faceplates fit perfectly with our brand. Teledex E Series gives our guestrooms the final touch that complements our much awaited renovation.”

Originally styled to meet the limited space requirements aboard cruise ship cabins, E Series micro-footprint hotel phones require minimal surface area on the desk and nightstand and are 40% smaller than standard guestroom phones. Engineered specifically for hospitality applications, E Series hotel phones feature patented OneTouch voicemail technology for hands-free auto-dialing and retrieval, up to 12 guest service keys, and customizable faceplates. [E Series](#) hotel phones are available in single and two-line, analog, VoIP, corded, and cordless configurations.

### **About NH Mexico City Reforma**

[NH Mexico City Reforma](#), formerly known as NH Mexico City, sits in the heart of the upscale Zona Rosa neighborhood, just a 2-minute walk from Mexico City's financial district. The tourist attractions in the historic center are only 15 minutes away on the subway and there are high-end shops, bars and restaurants on the doorstep. Our 302 guest rooms are elegantly decorated in a classic style. All of them come with modern comforts such as TVs and free Wi-Fi. The rooms on the upper floors get spectacular views across the financial district's skyline.

### **About Equipar Magazine**

[Equipar](#) promotes project investment in various economic sectors: Hotels, shopping centers, corporations, hospitals, airports, data centers, event grounds, and more. Equipar magazine is bimonthly with a circulation of 15,000 within a high level business sector, including investors, developers, contractors, engineers, architects, and designers. **About Cetis**
